Docket No. 98N-12655 APR 29 P1:46  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,  
I OBJECT to the definition of "inordinate amount" which restricts the availability  
and the right to obtain medically necessary compounded medications by limiting  
the number of prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

COMMENTS: These hormones have saved my  
life and I find it a medical necessity  
and I need them compounded this  
way - This organization is <sup>very</sup> seriously  
oriented and impeccable

Sincerely  
Kathleen Birch
